## U.S. COAST GUARD SCHOLARSHIP

The College Student  
Pre-Commissioning Initiative  
(CSPI)

*"CSPI offered me an opportunity to broaden my horizons. I have experienced a dynamic career that I never would have imagined. Without the concern of paying for tuition, books and fees, I was able to focus on my education and look forward to an exciting and fulfilling career as an officer in the Coast Guard."*

Every year, thousands of young people join the U.S. Coast Guard because they believe in our missions to save lives, protect the environment, and defend America's coastlines and waterways.

# CHALLENGES. OPPORTUNITIES.

Students like yourself are critically important to the Coast Guard's continued success in the 21st century. We travel the waterways of the world saving lives, defending our country, and protecting the environment. It is vital for the Coast Guard to have talented multicultural leaders who can interact with diverse groups of people and execute challenging missions.

Your career starts the day you enter the program. You will immediately begin to receive training and benefits that meet or exceed the best organizations in the world. Then, after graduation and successful completion of Officer Candidate School, you will become an officer in the U. S. Coast Guard.

Becoming an officer in the smallest and most unique of the military services has its advantages. Every job you do is important, and everything you do gets noticed. Your hard work and success will be rewarded with promotion, greater pay, and increasing responsibilities. The training, experience and skills you acquire are highly valued in the private sector, and will set you a step above your peers in any endeavor.

If you think you have what it takes, join us.
