

GRADUATE COMMENCEMENT

2024

WEDNESDAY, MAY 22, 2024  
UNIVERSITY OF MASSACHUSETTS BOSTON  
CAMPUS CENTER LAWN

## **The University Mace**

*Symbols of authority and power, maces were originally hand weapons for use against armor. Traditionally carried in processions at formal academic events, they evoke the history and ideals of the institutions they represent. The staff of the University of Massachusetts Boston mace is fluted mahogany; its foot is brass. At its top, in a mahogany surround on a blue granite base, stands a bronze disk bearing the campus seal, consisting of a lighthouse radiating beams of light, with ocean waves below, with the statement "to preserve and extend knowledge." Reflecting the incorporation of Boston State College into the university in 1982, the bronze sides of the seal's base bear the names and dates of that college and its five predecessor institutions, the first of which was founded in 1852.*

## **Academic Costume and Regalia**

*The academic regalia worn by faculty and students at this ceremony represent traditions that come down from the Middle Ages, when European universities were institutions of the church. At that time, robes were a common form of dress, particularly for officials of church and state. The cut of the robe, its adornment, and the colors used comprised a specialized heraldry that conveyed the rank and station of the wearer. At the universities, both faculty and students were considered to be part of the church hierarchy and were expected to wear the prescribed gowns. As society moved toward more modern forms of dress, only royalty, clergy, judges, and academics retained the traditional regalia, reserving it only for ceremonial use.*

*Modern academic regalia retain some of the symbols of the earlier forms of ceremonial dress. The gown tends to be fullest, longest, and heaviest for the doctoral degree. The sleeves for the bachelor's and master's gowns are typically open at the wrist. Cuffs are more common on the doctoral gown, and its sleeves are adorned by three velvet strips, symbolic of the degree. The mantle worn about the shoulders, called the hood, is the remnant of functional headgear worn for warmth in the unheated classrooms of medieval universities.*

*The usual color for academic gowns in the United States is black. However, many universities in this country and many others throughout the world have adopted more colorful robes. In general, this practice has been limited to schools more than one hundred years old. Among the schools represented by colorful robes at commencement ceremonies are Boston College, Boston University, Brown, Columbia, Cornell, Dartmouth, Duke, Harvard, New York, Oxford, Princeton, Rutgers, Stanford, Tufts, and Yale Universities, and the Universities of California, Kansas, and Rhode Island.*

## **Honorary Degrees**

*For centuries, universities have awarded honorary degrees as a way of recognizing extraordinary achievement and affirming institutional values. Our own university's policy is typical: the recipients of honorary degrees "shall be persons of great accomplishment and high ethical standards who exemplify the ideals of the University of Massachusetts"; recipients may not, however, hold federal or state elective office in Massachusetts.*

## **Please Note:**

*This program is for ceremonial purposes. The official list of graduates is maintained by the university registrar.*

## Chancellor's Medal

**Lieutenant Governor  
Kim Driscoll**  
*Chancellor's Medal for  
Distinguished Service*

Kim Driscoll is the 73rd lieutenant governor of Massachusetts. She was sworn in on January 5, 2023, alongside Maura Healey, the first woman and first openly LGBTQ person elected governor of Massachusetts. She and Governor Healey are the first all-woman executive office team in the history of the commonwealth.

The Healey-Driscoll administration has already launched a groundbreaking new program on college accessibility, MassReconnect, which offers eligible residents the opportunity to attend community college for free. Their administration has also made climate resilience a priority, establishing the state's first Office of Climate Innovation and Resilience, among other initiatives.

Previously, Driscoll was the first woman ever elected mayor of Salem, Massachusetts. Taking office at a time when the community was struggling with record deficits and a declining bond rating, she turned deficits into surpluses and strengthened city services. In her time as mayor, Driscoll revitalized Salem's downtown, improved city schools, reformed city pensions and health insurance programs, and brought transparency to city government.

Working with state officials and local partners, Driscoll secured public and private investments for a new MBTA station, a state courts complex, a senior center, and a ferry and waterfront port. She also positioned Salem as the primary marshaling port for the forthcoming Commonwealth Wind project that will serve residents across Massachusetts and New England.

Prior to her election as mayor of Salem, Driscoll served as community development director for the City of Beverly, chief legal counsel and deputy city manager for the City of Chelsea, and as a Salem City Council member.

Driscoll holds a BA from Salem State University and a JD from the Massachusetts School of Law.

For her ongoing commitment to serving the people of Massachusetts and creating a forward-looking, inclusive commonwealth, the University of Massachusetts Boston is proud to present Lieutenant Governor Kim Driscoll with the Chancellor's Medal for Distinguished Service.

## Honorary Degree Recipient

**Judge Roberto  
Andrés Gallardo**

*Doctor of  
Humane Letters*

The Honorable Roberto Andrés Gallardo, an Argentinian judge and renowned champion of social justice, has long been an advocate for those less fortunate. Judge Gallardo has held numerous high-level judicial posts in his home city of Buenos Aires and has written several books on the topics of human rights and global justice. Judge Gallardo's commitment to social justice led His Holiness Pope Francis to appoint Gallardo in 2023 to serve a five-year term as president of the Pan-American Committee of Judges for Social Rights and Franciscan Doctrine, an international public association of the faithful whose global mission is to educate and advocate for respect for human rights – especially of Indigenous and poor people – in courts throughout the Americas.

Judge Gallardo earned his law degree from the University of Buenos Aires in 1989. He then completed his master's degree in state law in 1998 from the Office of the Attorney General of the National Treasury (Ministry of Justice) and was honored with the Ramón Ferreyra award for his academic performance.

Presently a judge of first instance in administrative litigation in Buenos Aires, Judge Gallardo previously served as the city's acting deputy general defender. He is also a professor of state theory and an interim professor of elements of law at the University of Buenos Aires. Earlier in his career, he worked as a solo practitioner and also served as an attorney for several unions and cooperatives.

Judge Gallardo is the author of many legal articles and multiple books, including *Francisco vs. Moloch – Ideas para una revolución ecosocial* (2018) (Francisco vs. Moloch – Ideas for an Eco-Social Revolution), *El Paco* (2016) (The Paco), and *Dos Lecturas Para las Nuevas Teorías del Estado* (2015) (Two Readings for the New Theories of the State).

The Pan-American Committee of Judges for Social Rights and Franciscan Doctrine, which Judge Gallardo has served as president since 2023 when His Holiness Pope Francis appointed him to the position, consists of 120 magistrates who advocate for respect for human rights in courts throughout the Americas. The committee currently has established chapters in Argentina, Chile, Colombia, Peru, Brazil, Mexico, the United States, and Paraguay, and is expanding throughout the rest of the American continent. Among other topics, the committee has examined creating legislation to protect against social injustice and establishing support mechanisms for judges facing undue political pressures.

In recognition of his unwavering commitment to social justice, the University of Massachusetts Boston is proud to bestow upon Judge Roberto Andrés Gallardo the honorary doctorate of humane letters.

## 2024 Distinguished Faculty Awards

**Suha Ballout,**  
**Department of Nursing**  
*Chancellor's Award for  
Distinguished Teaching*

Professor Suha Ballout's tenure at UMass Boston has been defined by her unwavering dedication to inclusive education and innovative teaching methodologies. As an associate professor in the Department of Nursing, she has consistently demonstrated a strong commitment to creating inclusive environments and decolonizing teaching spaces, earning recognition both locally and globally. Professor Ballout's impressive teaching portfolio focuses on large undergraduate nursing courses, in which she advocates for inclusivity in textbook adoptions and class content, creating safe spaces for students facing challenges. Professor Ballout serves as a leader in both the Clinical Leadership Collaborative for Diversity in Nursing (CLCDN) and the Behavioral Equity Fellowship programs, which aim to strengthen the skills and preparedness of upcoming nurses to address the varied requirements of patients. Through these endeavors, Professor Ballout actively contributes to fostering a nursing workforce that is more diverse, inclusive, and culturally adept, thereby ensuring that nurses are fully equipped to deliver exceptional care to individuals from diverse backgrounds. Her collaborative efforts within the Center for Innovative Teaching (CIT) and leadership as CIT director since 2023 highlight her commitment to enhancing pedagogies and fostering antiracist teaching practices. Additionally, her global impact through initiatives like the Student Interest Nursing Group (SING) and involvement with the Lebanese Medical Association for Sexual Health underscores her dedication to shaping inclusive health care environments. Professor Ballout's multifaceted contributions as an educator, mentor, and leader make her a deserving candidate for the Chancellor's Award for Distinguished Teaching.

**Laura Hayman,**  
**Department of Nursing**  
*Chancellor's Award for  
Distinguished Service*

Professor Laura L. Hayman's illustrious career at UMass Boston is characterized by her exemplary leadership, tireless dedication, and profound impact on the university community and beyond. Since joining the faculty in 2007, Professor Hayman has made significant contributions as a tenured professor in the Department of Nursing and as the pioneering associate dean for research in the Donna M. and Robert J. Manning College of Nursing and Health Sciences (MCNHS). Her leadership in establishing the MCNHS Office of Research and enhancing research endeavors among faculty members has been instrumental. Professor Hayman's service extends to various committees at the university and college levels, including her role as chair of the MCNHS Personnel Committee and active involvement in program development. She has also played a vital role in mentoring faculty and doctoral students, supporting their research endeavors, and fostering a culture of academic excellence. Professor Hayman's dedication to her profession is evident through her extensive involvement in national organizations, editorial roles for prestigious journals, and leadership positions in professional associations. Her remarkable achievements, including induction as a fellow of multiple esteemed organizations and numerous prestigious awards, underscore her exceptional commitment to service and scholarly excellence. Professor Hayman's distinguished service to UMass Boston, her profession, and her contributions to multiple disciplines make her an outstanding candidate for the Chancellor's Award for Distinguished Service.

**Peter Kiang,**  
**Asian American Studies  
Program, School for  
Global Inclusion and  
Social Development**  
*Chancellor's Award for  
Distinguished Scholarship*

Peter Nien-chu Kiang (江念祖) is professor and director of the Asian American Studies Program in the School for Global Inclusion and Social Development (SGISD) and the College of Education and Human Development at UMass Boston, where he has taught since 1987. His research, teaching, and advocacy in both K-12 and higher education with Asian American immigrant/refugee students and communities have been supported by the National Academy of Education, the National Endowment for the Humanities, the Massachusetts Teachers Association, the Massachusetts Association for Bilingual Education, and others. Since 2010, he has been coprincipal investigator and lead proposal writer for five five-year grants totaling \$9.1M from the U.S. Department of Education for UMass Boston's Asian American and Native American Pacific Islander-Serving Institution (AANAPISI) program. Nationally, he received the Distinguished Scholar Award from the American Educational Research Association's Special Interest Group: Research on the Education of Asian and Pacific Americans in 2013 and the Lifetime Achievement Award from the National Association for Asian American Studies in 2014. He served for six years as chair of the Massachusetts Advisory Committee for the U.S. Commission on Civil Rights and eight years as copresident of the Chinese Historical Society of New England. Professor Kiang holds a BA, EdM, and EdD from Harvard University and is a former Community Fellow in the Department of Urban Studies and Planning at MIT. Within the university, he has also received both the Chancellor's Distinguished Teaching Award and Distinguished Service Award, and he is the first person in UMass Boston history to receive chancellor's awards in all three categories. All of these many accomplishments make Professor Kiang an exceptional candidate for the Chancellor's Award for Distinguished Scholarship.

# The Alma Mater

*To UMass Boston*

We beheld, UMass Boston, a torch in your hand,  
Saw a crown on your brow, heard your voice of command  
That we follow the lead of your bold guiding light  
Toward knowledge and wisdom and fervor for right...  
Toward knowledge and wisdom and fervor for right.

How that glow has burned bright through the passage of years  
As our dreams dispelled doubts and our hopes assuaged fears,  
As our eyes watched that gleam with conviction and trust,  
And we learned to place faith in the good and the just...  
And we learned to place faith in the good and the just.

May that torch never dim as life beckons us forth—  
May it shine like a jewel of fathomless worth.  
Like tall ships setting sail may we steer evermore  
To that beacon of beauty and truth on the shore...  
To that beacon of beauty and truth on the shore.

*The music for the alma mater was composed in 2016 by Professor of Music David Patterson of the Performing Arts Department. The musical setting has the flavor of a 19th century anthem as heard through modern ears. The lyrics were adapted from those of a State Teachers College at Boston class song by a committee of the university's Faculty Council. In both music and text, "To UMass Boston" evokes images of an ongoing, uplifting pursuit of knowledge and truth.*

## ABOUT THE UNIVERSITY

With a growing reputation for innovative research addressing complex urban issues, the University of Massachusetts Boston, metropolitan Boston's only public university, offers its diverse student population both an intimate learning environment and the rich experience of a great American city. UMass Boston's 7 colleges and schools serve nearly 17,000 students while engaging local, national, and international constituents through academic programs, research centers, and public service activities.

Part of the five-campus University of Massachusetts system, UMass Boston is located on a peninsula in Boston Harbor, near the John F. Kennedy Presidential Library and Museum, the Massachusetts State Archives and Museum, and the Edward M. Kennedy Institute for the United States Senate. To learn more about UMass Boston, visit [umb.edu](http://umb.edu).
